Mellott provides crushing equipment, screening equipment, and parts all across North America.

MELLOTT

A History of Precision

Mellott service capabilities are built on technical knowledge and years of experience processing aggregates.

S E R V I C E

MELLOTT

42 SERVICE TECHNICIANS STATIONED THROUGHOUT THE NORTHEAST, MID-ATLANTIC & SOUTHEAST

Mellott is the industry's leading source for ALL your service needs.

Mellott in-house repairs begin with an inspection and evaluation of the unit. Our certified technicians will provide you with a comprehensive report of their inspection. The repair process then continues with the procurement of genuine parts for your particular needs and situation.

Inspection Process

- ▶ Steam clean in our wash bay
